About Me

Experienced Frontend Web Developer with a passion for building intuitive and engaging digital experiences. Adept at solving problems, optimizing performance, and collaborating to deliver polished, user-focused solutions.

Experience

08/2022 – 12/2024

Front-end Web Developer — Cloudware, Warsaw

- Built and optimized responsive web applications using HTML, CSS, and JavaScript.
- Collaborated with design and backend teams to implement seamless integrations.
- Led a team of interns, overseeing project management, website design, and client communications.

07/2023 – 09/2024

Trainee Fullstack Web Developer — Empik, Warsaw

- Developed user interfaces and performed code optimization for enhanced functionality.
- Applied Scrum methodology to improve teamwork and communication.
- Conducted unit and usability testing, gaining exposure to backend technologies.

10/2022 – 05/2023

Front-end Web Developer — Polski Związek Zapaśniczy

- Designed and implemented a user-friendly application for managing tasks and displaying statistics.
- Maintained responsive design and functionality, aligning with stakeholder requirements.

05/2021 – 03/2023

Content Moderator Volunteer — Brainly.pl

- Ensured quality and accuracy of content while fostering a collaborative user community.
- Promoted a positive learning environment through effective communication and teamwork.

07/2021 – 10/2021

Educational Content Creator — Brainly.pl

- Created clear, detailed solutions for English textbook exercises.
- Adapted content for diverse proficiency levels, ensuring educational consistency and accuracy.
